...unique sonorities and an engaging sound world... a major opus in terms both of its evocative musical content and its duration, ...representing an important contribution to the body of music for low flutes...

Will Sleath (flautist) **'Fragilities'**

*...**'How Great, How Fall'n'** created a lot of interest from both audience and performers alike. [It] was exactly the type of new music that JAM prides itself on supporting...*

Edward Armitage, Chairman John Armitage Memorial Concert Series

...An idiosyncratic blend of stylistic types- Gamelan/folk...the music comes across vividly...

SPNM Reading panel **'Dolya Nash Krai'**

*...**'Playfall'** is a mature and powerful work, able to portray the dark shadows of loss that can unexpectedly creep into even the most joyful moments in life...*

Dance Europe

*...**'Night Walking'** impressed me because it combined lightness and warmth. Here was proof that contemporary music can succeed on all fronts; it required concentration but was also exhilarating....*

Artistic Director SPNM

*...**'Another Kind of Air'** is courageous in its simplicity and deserves to be heard...The sharp focus of the thematic material combines with the transparent medium to make for a piece that proclaims an unambiguous space...*

SPNM Reading panel

...This is lovely music for dance and it develops in a delightful way... I particularly liked the pizzicato section...

(composer Howard Skempton) **'Life Before Birth'**

...The piano command is impressive... the pieces make a satisfying arch in terms of mood...

SPNM Reading panel, **'Then Again...'**

*...**'Triaphony'** showed competence in the handling of a difficult medium... the climax to the third movement was highly effective...*

Cambridge Evening Telegraph

*...Best has previously written, with verve, for traditional forces... **['Cue-Play-Review']** seemed so clearly bound up with human responses... but the finale to this concert was his electronic tape **'From Steel to Stone'**. In the darkened studio, its shifting layers made a shapely and animating effect.*
